

## SOUTHBRIDGE, MASS

### History About This House.

This house was built before the year 1835. It was lived in by the Hitchcock Family for one century & a couple of years more.

~~My~~ Father (Dr James T. Lacey - Lisa Lacey Grandfather) purchased this during the Depression.

When this house was bought it had 24 Rooms, it has 5 fireplaces, 5 Bathrooms, 5 bedrooms 2 large Living Rooms 1 Large formal Dining Room. Extra large kitchen, A Breakfast nook, 3 car garage, 3 attics 3 Basement, which at later date was finely converted into one.

Above the garages with Dr Lacey's Office, Examination Room, & waiting Room, which in later years were the offices, the first 12 years those rooms were occupied by the colored couple we had for maids & butler. There was a large Den with a lot of medicals & other books. It had 2 stairways going upstairs.

I traded my Dodge in  
for this 52 Pontiac  
& it turned up on me  
in Miss, just off the  
BASE.
