Mr. Donald B. Whitney  
218 South Street  
Southbridge, Massachusetts

Dear Mr. Whitney:

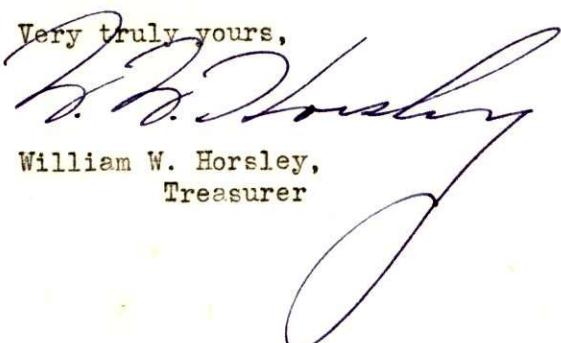

Enclosed is your pass book in connection with the mortgage which we hold on your property located at 122 Litchfield Avenue.

Your payments will be due on the 5th day of each month in the amount of \$69.57.

The total of your first interest and principal payment, due December 5, will be less due to the fact that you received your money on November 10 and did not, therefore, have it for the full thirty-day period. We have entered the first three payments in your book in pencil to show you how the account will run. You will notice that we have increased your first Suspense Account payment from \$12.00 to \$24.00 to take care of your taxes for November and December.

Also enclosed is a schedule showing your payments for the full twenty years which the writer believes will be of interest to you.

Very truly yours,

  
William W. Horsley,  
Treasurer
