Rehabilitative Resources, Inc., is a Massachusetts-based private, not-for-profit corporation incorporated in 1975. With its administrative offices located in Sturbridge, RRI offers an array of supportive services to approximately 330 adults with disabilities. These services include: Residential, Employment Supports, Family Supports, In-home Supports, Shared and Supported Living, Transportation and Professional Training. RRI is governed by a volunteer Board of Directors who are dedicated community leaders and individuals with a special commitment to people with developmental disabilities.
